

INDUSTRIAL-GRADE PACKAGING FOR CRITICAL FASTENERS

BIG BOLT NUT

NOV 24, 2025

OUR PACKAGING UNIT – KAPIL ENTERPRISES

We operate a dedicated, fully equipped packaging unit staffed with trained professionals who ensure:

- Accurate and standardized packing
- Safe handling of all fastener materials
- Proper segregation and labeling
- Damage-free and secure transportation

STANDARD EXPORT CARTON PACKAGING

High-grade bolts are packed in UV-resistant, moisture-proof polybags to prevent rust during transport.

Each polybag is then placed into 5-ply or 7-ply corrugated cartons

CONTAINERIZED PALLET LOADING FOR EXPORT SHIPMENTS

- Wooden or fumigated pallets (ISPM-15)
- Shrink-wrapping and PET strapping
- Moisture-absorbent desiccants
- Container floor blocking & bracing
- Weather-proof labeling

BIG BOLT NUT is an ISO 9001 : 2015, 14001: 2015 and
45001: 2018 Certified Company
