WHY BIGBOLTNUT

- **Unmatched Quality**: We manufacture fasteners designed to withstand the toughest environments, from deep-sea oil rigs to high-temperature processing plants.
- **Global Reach:** With approvals from major industry players like Chevron & BHEL we are trusted worldwide.
- **Innovative Coatings:** Our advanced coating options like Xylan, PTFE, Hot dip galvanizing, etc provide superior corrosion resistance and long-term performance, critical for the high-stakes oil and gas industry.

2000 Tonnes RM

In-house Forging

2 SQF Furnances

Quality lab

CNC Machines

Thread rolling

At Bigboltnut, we are committed to driving innovation in the fastener industry, ensuring that our products meet the evolving needs of the oil and gas sector. By delivering top-quality fasteners, we help power the world's energy industry, one bolt at a time.
